We had the pleasure to talk with Alice Friday, a student from Manchester who keeps visiting us in our English lessons. It was a nice conversation and we were able to gather a lot of information about her stay in Austria.

Q: *Have you been in Austria before?*

A: Actually I was skiing with my school in Tirol a few times. It was a really great experience and I loved to be there with my friends.

On the 17th of April 2015, I went to the mountains with my family. It was a very nice day and we were all really happy. The mountains are really beautiful and we had a great time. We went for a walk and saw some nice views. The weather was perfect and we had a picnic. It was a very relaxing day and we all enjoyed it. We went home with some nice memories and a few photos. It was a really nice day and we will be going back soon.
